Adlington Beer Circular

Walk 3

Bottom End, Top End and back

This is a shorter walk, just taking in what are referred to as the two ends of the village, Top and Bottom end.

1/ When you leave the Train Station, cross over the road, turn left and walk towards the mini Roundabout. Take a right at the mini Roundabout and walk towards the Spinners Arms and go in for a drink. This will take about 5 minutes.

2/ Leave the Spinners Arms and turn right at the road, continue along the road, past the car garage on your right and when you get to the crossroads turn right onto Rawlinson Lane. Cross over and at the top of Rawlinson Lane on the left hand side, you will find the White Horse. This will take around 15-20 minutes.

3/ Leave the White Horse by the front door and turn right up Chorley Road. Cross over and the Cardwell Arms will be on your left hand side in less than 5 minutes.

4/ Take a left turn out of the Cardwell, continuing along Chorley Road, to the traffic lights/ crossroads. You should see the Elephant and Castle in front of you. Cross over Babylon Lane and pop in. This will take 10 minutes.

5/ Leave the Elephant and cross immediately over the road, to head back down Railway Road. You should see the Top Spinners on your right after 1 minute. Please cross over and go in.

6/ Turn right out of the Top Spinners, cross over and continue down Railway Road, past the train station where you started and turn left this time at the mini roundabout. The White Bear is located on the left hand side. You should arrive here after about 10 minutes.

7/ When leaving the White Bear, cross at the crossing directly outside and take the first left at the mini roundabout on to Park Road. Go over the canal bridge and you will see The Bridge pub on the left in less than 5 minutes.

8/ The choice is yours, go back for the Train or have another drink in a pub nearby!
